SCIENCE CENTER

Teambuilding & Business Events

PRESENTATION OF THE LUXEMBOURG SCIENCE CENTER

The Luxembourg Science Centre is a fun and entertaining discovery space dedicated to science and new technologies.

Our large exploration room features over 100 interactive stations, spectacular science shows and workshops. Whether it's lifting a car with one hand, playing table football with a robot, melting steel in seconds or taking part in a scientific cooking workshop, wonder and excitement are guaranteed!

Science and technology are often approached in an overly abstract or academic way. That is why we have made it our mission to present these subjects to the general public in a practical and fun way.

TEAMBUILDING SESSION

Build camaraderie and get your group's creative juices flowing. Work in teams and race against the clock in fun, hands-on science activities led by our science communicators.

Our teambuilding programmes include access to our Exploration Room with over 100 interactive stations & a workshop or science show of your choice.

EXPLORATION ROOM

Starting your teambuilding session, your team members will have access to the Exploration Room, in which they will interact with over 100 spectacular exhibits. Get ready to enjoy new experiences and incredible phenomena as a group in a truly unique venue!

Group size : up to 150

Duration : 2 hours

SCIENCE SHOWS

Next, your team will have the opportunity to take part in one or more spectacular science shows of your choice! At the Luxembourg Science Center, our science communicators will present up to twenty different science shows, where participants will have to get ready to actively participate in the incredible experiments that await them on stage.

Fluids

Low temperatures

- Group size : up to 50
- Duration : 1 hour

Electricity

High Voltages !

- Group size : up to 80
- Duration : 1 hour

Chemistry

Candles & Fireworks

- Group size : up to 50
- Duration : 1 hour

Optics

Colors

- Group size : up to 40
- Duration : 1 hour

Planetarium

Planets and constellations

- Group size : up to 25
- Duration : 1 hour

Other science shows

WORKSHOPS

Besides our Science Shows, you can also take part in our unique teambuilding workshops at the Luxembourg Science Center! We will encourage cooperation and creativity through fun and friendly challenges around the themes of space, upcycling, cooking or cooperative games.

Upcycling

- Group size : up to 10 people
- Duration : 1h30

Using recycling efficiently contributes to a circular economy. In this workshop, participants learn how to grind plastic, inject it under pressure and heat into moulds, and create items from it.

Kitchen Lab

- Group size : up to 20 people
- Duration : 2 hours

There is a secret to a fluffy muffin or airy loaf of bread. Find out how carbon dioxide works and how yeast and baking powder differ through interactive experiments.

Moon Rover

- Group size : up to 20 people
- Duration : 2 hours

Participants will construct a miniature moon rover powered by solar energy. Also, they will determine what key features their rover needs to have to travel to the Moon and improve its design.

Team Games

- Group size : up to 34 people
- Duration : 2 hours

Boost productivity and bring your team closer together with these team games. Playing these games helps your employees bond and connect, which improves communication, project management, and teamwork.

PRICING LIST - TEAMBUILDING SESSION

Session	Cost	Add-ons	Cost
Teambuilding (Exploration Room & 1 Workshop or Science show included p.p)	15 € p.p	Additional Workshop	250 €
		Additional Science Show	250 €
		Catering	RFQ*
		Privatisation of the Dining Area	750 €
		Night fee (after 5 p.m)	950 €

BUSINESS EVENTS

Are you looking for an attractive and unique venue for your next business event?
Think outside the box and consider the Luxembourg Science Center for your next corporate activity.
The Luxembourg Science Center offers companies and associations the possibility to book its premises for various types of events, such as:

Seminars

Team Meetings

Conferences

Product Launch

General Meetings

Company Parties, etc

Day or evening rentals are available for groups of 15 to 150 participants

OUR THEMATIC AREAS

At the Luxembourg Science Centre, we have a number of thematic areas that you can choose to privatise for your own corporate activities

Math Area Conference room

- Group size : up to 80 people

This maths and statistics themed room is ideal for conferences and other corporate presentations.

Up to 80 seats, a stage and a suspended screen on which you can display your documents and video material.

Space Area Meeting room

- Group size : up to 30 people

This Space themed room is ideal for corporate meetings or activities such as team building or brainstorming sessions.

Up to 30 seats, several round tables and a suspended screen to display your documents and video material.

Motor Area + Exploration Room

- Group size : up to 50 people

In this area, right in the middle of our large Exploration Room, the LSC offers you a unique setting at the centre of which is an 11-tonne Deutz diesel engine dating back to 1907, which once belonged to the Grand-Duc.

Up to 50 seats, and a suspended screen.

Electricity Area + Exploration Room

- Group size : up to 80 people

In this electricity themed area, at the rear of our large Exploration Room, the LSC offers you a large & unique stage, featuring highlights such as a large Tesla Coil, a giant Plasma Ball, a Faraday Cage and much more!

Up to 80 seats, microphones and projector.

WANT TO SPICE UP YOUR BUSINESS EVENT ?

There are a thousand and one ways to spice up your business event with the different offerings of the Luxembourg Science Center. Complete your event with a visit through our large exploration room in which you will be able to interact with more than 100 exhibits. You can also enhance the experience by adding spectacular Science Shows or unique Workshops to your event.

Add-ons pages 4, 5 & 6
