

LUXEMBOURG
SCIENCE CENTER

DOCUMENT YOUR EXPLORATION

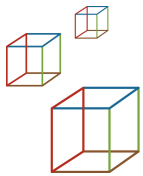

Student's last name / first name: _____

Welcome to the Luxembourg Science Center's large exploration room, where you can interact with almost 100 experimental stations. **Touch, marvel, understand...** The LSC team invites you to experience science in a different way!

Select two stations where you would like to explore the principles of the experiment in greater depth. What are your observations and what do you take away from the phenomenon you observed?

NAME OF THE STATION	
What are you observing?	
Describe the scientific experiment.	

NAME OF THE STATION	
What are you observing?	
Describe the scientific experiment.

THE ADVENTURE CONTINUES – SCIENCE SHOW

You are now about to experience one of our various science shows. From theory to practice—get ready to actively participate. Our science communicators will be available to answer all your questions at the end of the presentation.

NAME OF THE SHOW	
Which scientific experiment fascinated you the most?	
What was the key takeaway for you?	

The entire team at the Luxembourg Science Center would like to thank you for your visit and hopes that you found the experience inspiring. Please feel free to visit us again with your family or friends.

The LSC is open every day to surprise and delight you.
See you soon!
