

LUXEMBOURG
SCIENCE CENTER

TEAMBUILDING & BUSINESS EVENTS

A unique setting for your
corporate events

WHO ARE WE?

The LSC - Luxembourg Science Center is an exciting and entertaining discovery center in Differdange that is entirely dedicated to science and new technologies.

- In the large exploration room, visitors can interact alone or in teams with almost 100 interactive stations.
- Finally, the group can also take part in one of our 20 science shows or our “Kitchen Lab” workshop (more workshops coming soon...).
